

*Bring your own team or come and join a team that needs additional players.*

Competition Info

Redlands Volleyball supports the development of Volleyball in the Redlands & Bayside south eastern suburbs of Brisbane. We offer a social mixed competition that caters to secondary school age children through to adults. This competition runs for 12 – 14 rounds depending on hall availability across a school semester. Games run for 55 minutes, across two timeslots; 6:30 & 7:35. As this is a social competition, teams have the opportunity to play against a variety of teams and fulfil duty roles for each round.

Costs

School Aged Player - \$125

Adult - \$165

Calendar

| Date                             | Event              | Date  | Event           |
