

Bring your own team or come and join a team that needs additional players.

Competition Info

Redlands Volleyball supports the development of Volleyball in the Redlands & Bayside south-eastern suburbs of Brisbane. We offer a social mixed competition that caters to secondary school age children through to adults. This competition runs for 12 – 14 rounds depending on hall availability across a school semester. Games run for 55 minutes, across three timeslots: 6:00, 7:00, 8:00. As this is a social competition, teams will play against a variety of teams and fulfil duty roles for each round.

Costs

School Aged Player - \$135

Adult - \$175
