Competition Info

Redlands Volleyball supports the development of Volleyball in the Redlands & Bayside south-eastern suburbs of Brisbane. We offer a social mixed competition that caters to secondary school age children through to adults. This competition runs for 14 rounds plus 2 weeks of finals, depending on hall availability across a school semester. Games run for 60 minutes (including a 10 minute warm up), across three timeslots: 6:00, 7:00, 8:00. As this is a social competition, teams will play against a variety of teams and fulfil duty roles for each round.

For this season we have a couple of changes:

- All players must be in numbered shirts
- Division MVP

Costs

School Aged Player - \$135

Adult - \$175
